Austin Bar Membership Benefits

- **Austin Lawyer** – The Austin Bar’s award-winning newsletter is published 10 times per year. It includes updates on decisions from the Third Court of Appeals, CLE opportunities, members’ and committees’ accomplishments, and various community and association activities.
- **CLE Opportunities** – The Austin Bar offers approximately 8 to 10 full-day Continuing Legal Education programs throughout the year, for which members receive a discount. Free monthly CLEs are also offered for members only.
- **Substantive Law Sections** – The Austin Bar offers members the opportunity to join any of our 21 substantive law sections. Each section elects officers, who work together to conduct section meetings and provide various CLE programs for its members throughout the year.
- **Committees** – Through our 18 committees, Austin Bar members can become involved in various community and law-related activities. From our award-winning Pick Me! Jury Project committee to the annual Gala committee, to the Fee Dispute and Judicial Affairs committees, the Austin Bar offers myriad opportunities for involvement.
- **Austin Bar Web Site** – Travis County was the first local bar in Texas to offer a Web site. The Bar continues to utilize the latest technology to benefit our members and the public. The site offers a career center, calendar of events, current news and activities, on-line registration for CLE courses and other association activities, and a members-only section. The association has also recently introduced an online membership directory, open to both members and the public. Please visit us at www.austinbar.org.
- **Member Discounts** – The Austin Bar works with several companies to offer discounts to our members. Members will want to begin taking advantage of these numerous cost-saving opportunities as soon as possible.
