Dear Austin Lawyer:

As you know, there are many families in this community without a regular or adequate supply of food. Unbelievably, thousands of children in the world die everyday from hunger related causes. The magnitude and persistence of this problem requires us to join together every year and respond.

This annual fund drive, operated by the Austin legal community since 1985, supports programs that in very tangible, measurable ways reduce hunger and malnutrition. Importantly, you get to pick which program you want to help. And, by pulling together we make a statement that as a profession we share compassion and concern for those less fortunate than us. Together, Austin lawyers have raised about half a million dollars through this program.

During these difficult economic times our help is needed more than ever. This year gives us the opportunity to demonstrate that, as a community, Austin lawyers can be counted on not just in good times but in tough times as well.

The Sponsors listed to the left have come together this year to ask all Travis County attorneys to donate the dollar value of one hour of legal services or whatever you feel is appropriate to those who desperately need your help. **Please make your check payable to the ORGANIZATION OF YOUR CHOICE and not to ALFHR.** Please mail your check as soon as possible to **ALFHR c/o Todd Wong, 500 W. 6th Street, Suite 402, Austin, Texas 78701.** The contributions will be aggregated and forwarded to the relief organizations. All printing and mailing costs will be covered by the AYL/ABA Foundation, the ABA, and local attorneys.
