 - #StrongerTogether for Travis County:
 - <https://www.traviscountystrongertogether.com/>
 - Travis County #StrongerTogether is an effort spearheaded by State Representative Eddie Rodriguez (D-Austin) in collaboration with fellow elected officials and local and state progressive community organizations. The goal of the initiative is to marshal the passion and resources of Travis County residents to help fund the programs that have been threatened by Governor Greg Abbott's cutting Criminal Justice Division (CJD) grants to Travis County.
