II. GRANT CRITERIA AND GUIDELINES

Grantmaking Priorities

Applications will be accepted to achieve the following:

- Facilitate and expand the availability of legal services;
- Improve the administration of justice and the Travis County court system;
- Promote Public understanding of the law; or

ABF will not commit, in advance, to fund a grant application for the same project on an ongoing, annual basis or for a multi-year term. A project may be considered on an annual basis if a new application is submitted for each project year. As a general rule, no project will be funded for more than two consecutive years, even if annual applications are made, although the ABF retains discretion to deviate from this criterion if exceptional circumstances are demonstrated.

Eligible Grant Applicants

Length of Grant Award

Generally, grant awards will be for a period not to exceed one year. The ABF may award renewal grants for projects that are on-going or take multiple years to accomplish.
