# TOP 10 KID'S CLOSET WISH LIST ITEMS

The Kid's Closet is a resource that provides families with the essentials to help them keep children in a safe and protective home. Many of these kids have never had new clothes or a shiny new toy. Giving them something they can truly call their own helps boost their self worth and begins to restore hope. Because our kids rarely receive new items and there is a cost associated with cleaning used donations, we only accept new items for our children.
